

Town of Eston

Request for Tender (RFT)

Supply and Installation of Security Cameras – Municipal Buildings

The Town of Eston is requesting tenders for the supply and installation of security cameras at the following municipal facilities:

Locations and Camera Requirements

1. **Town Office**
 - One (1) interior camera
2. **Water Treatment Plant**
 - Two (2) interior cameras
3. **Swimming Pool**
 - One (1) exterior camera
4. **Public Works Shop**
 - Two (2) exterior cameras
 - One (1) interior camera
5. **Rink Facility**
 - One (2) exterior camera

System Requirements

- Cameras must be appropriate for their intended environments (e.g., weather-resistant for outdoor use).
- System must allow for remote viewing and playback.
- Ability to create individual user profiles/access levels:
 - Example: Water Operator to access only Water Treatment Plant footage
 - CAO to access all cameras across all facilities
- Include information on any required software, licensing, or ongoing costs.

Submission Details

Deadline for Submission: October 1, 2025

Project Completion Date: 2026

Contact Information: Jody Schmidt, Chief Administrative Officer Town of Eston cao@eston.ca or 306-962-4444

Tenders may be submitted by email or in person at the Town Office. The lowest or any tender may not necessarily be accepted.
