**Welcome! Eston Communities in Bloom is pleased to introduce you to us and to our community.**

## **General Information**

Community: **Town of Eston** Population: **1031**

Total area of Community: **Approximately 320 acres**

Percentage of Community budget dedicated to parks: **2%**

Percentage of Community land consisting of municipal parks/green spaces: **11%**

The Town of Eston is located in the heart of West Central Saskatchewan at the junction of Highways 44 and 30, within the boundaries of the Rural Municipality of Snipe Lake. It is an oil-rich area which boasts prime agricultural land as well as many opportunities for hunting and fishing. It is approximately 15 miles north of the South Saskatchewan River and the Eston Riverside Regional Park, a prairie oasis boasting excellent camping, a nine-hole golf course with grass greens, a swimming pool and a recreation hall. The Lancer Ferry which crosses the South Saskatchewan River is nearby.

The town boasts a busy business district with services including a drug store, a grocery store with liquor vendor, two motels, restaurants, gift shop, service station, card lock, a bank, a credit union, a dumping station, a lumber yard, a hardware store and a farm implement/car and truck dealership. Tradespeople, including plumbers, electricians, carpenters, building contractors and welders are resident in the town. There are also a number of businesses serving the local agricultural industry. Eston has its own weekly newspaper, *The Press Review*, and a local television station.

The town has a resident physician and nurse practitioner, a health center where both emergency and long term care services are available, and a chiropractic clinic.

Eston has its' own local RCMP detachment, with two members residing in the community.

The Regional Library on Main Street has a large selection of books, magazines and other materials and provides free internet service. Eston is linked to a province-wide network for the borrowing of books and other library materials. The **local genealogical society** has a small library within the main library. Copies of the local newspaper are available on microfilm from 1917 to the present.

The Community Complex is a large multi-use recreation and convention centre that provides year-round recreational opportunities including hockey, bowling, curling, figure skating, and access to the local Larry Thome Fitness Centre. Adjacent is the Eston Lions Swimming Pool which offers public swimming, water aerobics and swimming lessons during the summer season and Reaburn Field, the senior ball diamond. There

are several minor ball fields located nearby as well. There is also an in-town camp ground adjacent to the community complex. Two other parks, Jamieson Park and Henry Hamilton Park, also provide **green space**.

Eston has two private dance schools, as well classes for piano, instrumental and voice lessons. Offerings of aerobics, boot-camp, and other fitness classes are also available.

The local Wheatland Plus 50 Club provides a varied program of activities for those over 50 years of age.

Eston boasts three **municipal heritage buildings**, one on Main Street, the local museum complex, and the Prairie West Historical Centre. In addition to preserving artefacts illustrating the area's past, the Centre is also building up a collection of archival material pertaining to the area.

The town has two schools, Eston Composite - a K-12 school, and Eston College, a degree-granting institution (formerly the Full Gospel Bible Institute.)

There are four active churches: Eston Full Gospel Church, Holy Cross Anglican Church, Sacred Heart Roman Catholic Church, and St. Andrews United Church.

There is an airport in town with two paved runways; #11 is .92308 km long while #16 is 0.6 km long.

Annual events in Eston include Ladies Night Out in April; the June Eston indoor Rodeo; July 1st Canada Day events which include a parade, sports events at the recreation grounds, a beef-on-a-bun lunch and a heritage program at the museum; fowl suppers are held in season; the Ducks Unlimited Dinner takes place in October; Bizarre Bazaar, a large craft show and sale is held in November, as well as a museum fundraiser - Christmas in November, a ladies luncheon, fashion show and silent auction; a local drama group, E.P.I.C. hosts an annual Dinner Theatre/ community Christmas party, and the Eston 95 Lions host a Christmas light tour for seniors. There are many, many more events throughout the year, including ball, soccer, golf, curling, hockey, and the skating carnival.

Eston offers up an assortment of service and social clubs including two Lions Clubs, both of which are the largest Lions Clubs in Saskatchewan, Ducks Unlimited, Prairie West Historical Society, the Arts Council, Music Festival Committee and a Genealogical Society.

# Map of Eston

## Town of Eston

## About Eston Communities in Bloom

Eston CiB is a small, hard-working group of people who volunteer their time to help beautify the town and by extension, increase community pride. The Town of Eston supports the local Communities in Bloom by way of an annual \$2500.00 grant and having one council representative available as liaison. The Town crew and Parks and Recreation summer works department also support CiB via their regular work schedule as well as occasional help as time and resources allow.

Pictured above: Back Row: Eston resident Lois Houston, with Communities in Bloom members Sandy King, Doreen Reaburn, Ellen Owens, Jill Thome, Val Mohan, Leslie Kraft, Loreen Buskell; Front Row: CiB Member Shelagh Vance, and Her Honour Lt. Governor Vaughn Solomon Schofield. (May 2016) Missing in photo: Town Councillor rep Rob Myers.

## Brief History of Eston Communities in Bloom

Eston Communities in Bloom, or “CIB” as we call it, was started in 2000 at the request of the Town of Eston. A small group of like-minded people got together, and with a grant from the town, we began. Our goal was to focus CIB as an ongoing “community project” that would not only improve the looks of our town and encourage civic pride, but would also earn our community a good rating in the annual provincial judging.

Eston CIB’s first year concentrated on the business section, promoting and fundraising to purchase wooden barrels that we filled with flowers and placed along Railway Avenue and Main Street. (These are our *Blooming*

*Barrels* that you still see downtown today.) We also held several community “clean-up” days. We received 1 Bloom that year.

Since the first year of inception we have many taken on many different projects **that you will find listed in the pages that follow**. As well, we have hosted various events such as, but not limited to:

- information booths at the local trade show
- sponsored pumpkin, tomato and flower growing contests and craft projects for children
- boulevard tree-pruning days
- annual community clean-up days
- hosting tables at the town events such as *“Welcome to Eston” events and various “Volunteer” nights*
- spring tree pruning workshop, with sponsorship from SPRA

Over the years, the community has learned more about Communities in Bloom, and has seen firsthand the benefits to our community. The banner of CiB has paid off in many ways for our community and we hope to continue for years to come.

*“Communities in Bloom - People, Plants and Pride... growing together”*

## 2016 Communities in Bloom Projects (September 2015 to August 2016)

- **NEW for 2016 – Fall (2015) Tulip Bulb** fundraiser and **Planting of tulips** at several of our perennial beds
- **NEW for 2016 – Fall (2015) and Spring (2016)** Completion of the new ***Centennial Park*** in the downtown business district.

- **NEW for 2016** - planted perennial grasses at the “gopher” on Main Street
- **NEW FOR 2016** – New Signage at the Landfill (Town initiative)
- **NEW FOR 2016** – at Henry Hamilton Park Pergola we have:
  - installed blue solar lighting
  - added 2 grape vines
  - laid concrete patio block underneath
- **NEW for 2016** – New Perennial bed at the South Entry to the Community Complex
- **NEW FOR 2016** – Concrete planters at the entry to the Fairgrounds
- **NEW for 2016** – Heritage Plaques promoted to local businesses

### Continued Maintenance of previous Communities in Bloom Initiatives:

- **Bloomin' Barrels** (our very first CiB initiative!) – we purchased several oak barrel planters for downtown. The number of planters was later increased, as well as replaced with self-watering barrels ; the 'oak barrels' were given out to various local businesses for planting and display.
- **Hanging Flower Baskets** – we purchased hanging baskets for main street (watering help from the Town crew during the week)
- **Eston Gopher** – We have placed planters around the gopher and this year added perennial grasses. We also actively recruited groups to repair the area around the gopher and build the fence behind the gopher.
- **Brick Building Flower Bed** (2<sup>nd</sup> Street and Main)
- **Andrea's View** (on Railway Avenue)

- **Pocket Garden on 1<sup>st</sup> Street and Main** (east side)
- **Pocket Park on 3<sup>rd</sup> Street and Main** (west side)

- **Work Bees** – CiB does regular cleanup in various areas around town.
- **Weed Control** in various areas around town
- **Henry Hamilton Park Beds** – North-east corner, South-west corner, and center)
- **Perennial/Shrub Bed at town Campground Entryway** – beside town fire hall
- **Town Entrance Planters** – had planters built around the town entry signs and planted perennials native to the area
- **Mulch (Tree Peelings)** – we continue to sell mulch to local residents, as well as adding mulch in our own perennial beds annually.

- **Banners** – we purchase banners to hang on the street light poles on main street; **In 2016, the town's *Centennial Committee* purchased special Centennial banners.**
- **Local Yard Judging** - an annual project to involve community members in recognizing residents who work so hard at keeping up their yards.
- **Winter Lights** – continued promotion of our ***Winter Lights*** program
- **Social Media** – CiB Facebook page

**Tidiness** (of green spaces, medians, boulevards, sidewalks, ditches and road shoulders including garbage, debris and weeds. Signage, posted notices, scrap yards, unattended or vacant lots, alleys and buildings are also included.)

- 2016 is the Town of Eston's Centennial year and community involvement in clean-up, and in particular Main Street Beautification (a committee was formed specifically for this!) has never been greater. Volunteers took part in projects such as:

- painting trim on empty downtown buildings
- covering windows of empty business buildings with art, enlarged copies of photographic history, etc
- painting concrete planters and garbage containers
- replacing the wooden fence at the local swimming pool
- planting sod at the school

- Businesses painted and spruced up their own building fronts
- Swimming pool building was painted
- Corner curbs were repainted
- regular street sweeping was reinstated
- the Parks and Recreation staff spent many extra hours on all ball fields and the sports grounds

- **NEW** - Volunteers and Parks Staff removed an unsightly and run-down building from the Sports grounds ( much bigger job than anticipated as it was FULL of old storage items!)

- The Local Campground had some upgrades in the fall of 2015, including improving the base with grading and adding more gravel
- Cigarette station at the community complex was moved further away from the doorway
- General community cleanup – by individuals – ie. Local Walkers pick up garbage, bottles, etc. as they are out on daily walks, CiB “cleanup nights”
- *Caring Hands* – local volunteer group of Health Centre staff that look after the grounds and beautify the inside of the building as well

- In addition to regular garbage pickup, the Town of Eston offers
  - Weekly front street recycle pickup
  - Spring and fall back alley pickup for yard refuse
  - Regular monitoring of the Town Landfill site
- The school staff and students do an annual spring cleanup of litter around the schoolyard and town streets.
- Town policy is to cover or remove graffiti when it appears.
- Adopt-A-Lot Program – people can “adopt” town lots for their own use, with the agreement that they will be responsible for cleaning and keeping the lot mowed, tilled, etc.
- The Town has introduced a new Community Appearance Policy to promote individual and business tidiness
- The Town has introduced a new Community Appearance Policy to promote individual and business tidiness
- To reduce litter on the highway, the Landfill will not accept items where the load has not been covered or properly secured
- Street sweeping – the Town owns a street sweeper
- Streets – repaired regularly; some newly paved streets and with long-term plans including replacement of others
- Curbing – was painted (2016)

Policy:	TOWN OF ESTON	No: A2C
	COMMUNITY APPEARANCE INCENTIVES	
	Approved: April 13, 2011 Revised:	Initial:

**Purpose:** To provide incentives for the residents and businesses in Eston to improve the appearance of their properties to the benefit of the community.

**Policy:**

**Residential:**

1. As part of the Communities in Bloom judging for best yard in Eston a listing of properties showing a considerable effort into appearance of their property will be made by the judges. The criteria for the selection will include general appearance of the property. Properties with painting or renovations completed in that year will also be eligible.
2. By random draw improved properties will receive a cash payment of \$100.00. The number of payments will be limited to 50% of the properties selected to a maximum of four.
3. For rental properties where the improvement is related to the building the owner will receive the payment, where it is in regards to the appearance and maintenance of the yard the payment will go to the tenant.

**Commercial:**

1. Commercial properties that have and maintain a plant display will be eligible for a random draw for a cash prize of \$150.00.
2. Commercial property owners who improve the appearance of their property by painting, renovations or landscaping may enter their name into a draw for a \$150.00 cash prize to be applied to their taxes.

**Environmental Action** (with regards to sustainable development including policies and by-laws on waste reduction, landfills, hazardous waste handling, sewage disposal, recycling and transfer stations. Also environmental practices including IPM-Integrated Pest Management, water sources and conservation, environmental clean-up activities, naturalization and living in harmony with nature, and environmentally friendly transportation are all included.)

- **Community Bulletin Boards** are visible in several of our local businesses (Co-op Grocery Store, DT's Restaurant, Post Office, Credit Union, as well as window and/or counter space for displaying posters in the Bank, Pharmacy and Library)

- Town offers weekly curb side pickup for recycle materials.( In partnership with Sarcan). The Town won an award for being a good steward of waste, the Waste Minimization Award, hosted by Sask Waste Reduction Council and Sask Power.

- Recycling operations at the Eston Recycle Centre include paper, glass, tin, electronics, oil, paint and other hazardous waste at one convenient location.

- SARCAN centre for recycling pop cans, bottles, etc. Local Sarcan Centre has won a Customer Service Award for Accuracy

- Weekly front yard garbage pickup

- Spring and Fall Yard Clean-up encouraged by Town every year – with back alley pickups

- Town Landfill monitored for proper garbage disposal and separation

- annual Waste Oil collection sponsored by local RM's

- Scrap tire pickup and recycling programs are sponsored by both the RM of Snipe Lake and the Eston Lions Club **Local walkers** picking up garbage

- Local walking groups pick up garbage and collect discarded pop cans and bottles (donating the money to charitable organizations)

- Composting location offered for grass clippings and suitable yard waste adjacent to town shop
- CiB has mulch for sale to local residents
- Andrea's 3 R's – local business for gently used goods|
- Annual Community Garage Sale
- Solar heated swimming pool
- IPM (Integrated Pest Management) program in place
- Repairs to the chiller tower and conversion to VFD's will be an environmental benefit
- State of the art water treatment/purification system
- promotion of the Saskatchewan Watershed low flush toilet rebate
- "No Water Wednesdays" in summer months allows for Town to water local parks and conserve water
- surface water to Hanson Lake (at Jamieson Park) – use of grey water on green spaces, including the local school football field
- The water from the Lions Swimming Pool was recycled this year – given to various oil companies for use on well sites.
- Sewage – there is a Class One sewage lagoon with a capacity of 113,000 gallons per day, located east of town.
- Water – the Town gets water from the EK water line that receives its' water from wells located close to the South Saskatchewan River. It is treated by chlorination, filtration and flocculation. The water treatment plant has the treating capacity of 200 gallons per minute. The distribution capacity of the pumping unit is adequate to provide a pressure of approximately 40 psi.

- Local Ducks Unlimited Group
- Urban Planters – Communities in Bloom barrels for planting flowers – these barrels conserve water
- Sparks Waterway project – local Squirts group has painted around several town manholes to raise public awareness in keeping our waterways and storm sewers free of chemicals and pollutants.

**BYLAW NO. 12-2010**

**A BYLAW** of the Town of Eston, in the Province of Saskatchewan, to increase recycling.

**THE COUNCIL FOR THE TOWN OF ESTON IN THE PROVINCE OF SASKATCHEWAN ENACTS AS FOLLOWS:**

**1. SHORT TITLE**

- 1.1 This Bylaw may be cited as Landfill Recycling Bylaw

**2. PURPOSE**

- 2.1 The purpose of this Bylaw is to eliminate the disposal of recyclable materials in the landfill.

**3. DEFINITIONS**

- 3.1 In this Bylaw:

- a) **Recyclable Materials**

Includes all materials that can be deposited or collected for recycling in the Town of Eston and includes, but is not limited clean cardboard and paper, plastic and glass containers, batteries, tires and electronic equipment.

- b) **Scrap Metal**

Includes all metals with the exception of tin cans and propane tanks.

- c) **Landfill Supervisor**

Any employee assigned duties or person contracted by the Town of Eston to provide supervision at the landfill.

**4. ACCESS TO LANDFILL**

- 4.1 Public access to the landfill is not available for any recyclable items as determined by the Town of Eston with the exception of scrap metal.
- 4.2 The Landfill Supervisor shall determine if any material is recyclable and will require that it not be unloaded.
- 4.3 Failure to follow the instructions of the Supervisor or disposing of recyclable materials at the landfill will result in future access of any kind being denied.

**5. OFFENCES AND PENALTIES**

- 5.1 No person shall:

- a) fail to comply with to this Bylaw;
- b) obstruct or interfere with any Landfill Supervisor or any other person acting under the authority of this Bylaw;
- c) fail to comply with any other provision of this Bylaw.

- 5.2 A Landfill Supervisor who has reason to believe that a person has contravened any provision of this Bylaw may have served on that person a Notice of Violation, which Notice of Violation shall indicate that the Municipality will accept voluntary payment in the sum of One Hundred Dollars (\$100.00) to be paid to the Municipality within thirty days.

**Heritage Conservation** (museums, archives, history books and interpretive program. Policies and bylaws on preservation and restoration of buildings, homes, churches, cemeteries, sites, parks, heritage gardens, trees, monuments and artifacts are important to a community's heritage. Involving the historical society and heritage advisory committee is important.)

- **2016 marks the Centennial** for the Town of Eston – A volunteer Centennial Committee was struck in 2014. They worked very hard at planning and involving others in the area to take part in making the celebration a successful event. The celebrations began in late October 2015 with a fundraiser, and events are continuing until the closing ceremonies in the winter of 2016. Events include, but are not limited to:

- “*Wonderful Wednesday’s*” – an sponsored community event that you personalize in your own way. Hosted by individuals, businesses, service clubs, etc. Examples to-date: the school held a Wonderful Wednesday, inviting people without children to take part in a morning of activities with students, and then hosted an afternoon of school tours that were open to the public; Businesses have held *Wonderful Wednesday’s* with free events such as birthday cake and coffee, a carnival for families, afternoon teas, etc

- On July 1<sup>st</sup> weekend the Town held the main Centennial Celebration. It was a fantastic weekend which brought many ex-pats home to renew acquaintances and visit and share in celebrating Eston's history. Weekend events included *Opening Ceremonies*, with the *opening the of the 75<sup>th</sup> Anniversary Time Capsule*, a *parade*, *resurrection of the World Gopher Derby*, *ball games*, *pre-booked lunches and dinners*, *tours*, *Musical performances*, a *Caberet*, *art displays at the museum*, and *lots of visiting ...*

- The Museum hosted a July 1<sup>st</sup> luncheon and celebrated with Birthday cake at the museum

- EPIC (Eston Players in Concert) performed a play, written by a local resident, about the history of Eston

- The history of Eston was also on display in many downtown store fronts – windows were filled with enlarged photographs of the past 100 years – photos of buildings, residents, and events

- Tours took place, with memorabilia on display .... ie. Eston Legion, Prairie West Historical Museum, Eston Composite School, Wheatland Regional Library, the Code family collection ...

.....

- the Town has several buildings designated as historical sites: Evans House, Lovedale School, the Town Office, and the former R.M. Office building

- Prairie West Museum and Historical Society – we have a strong, active museum and committee that works towards preserving, restoring and educating our community on historical artifacts, buildings, etc.

- Genealogical Society – consisting of a group of interested member

- School students have done research and presentations on local veterans. Parents and Legion members, and community were invited to attend. They also take part in creating poems, writings, and artwork for display at both the school and the Legion Remembrance Day Services.
- Museum offers regular tours and demonstrations to both local and out-of-town school groups
- Heritage Garden at the Museum
- Music Festival and Arts Council – preserve and maintain art and culture in the community (music festivals, art shows, Bazaar Bazaar, etc.
- Hanson Memorial Heritage Garden at the Museum
- Canada Day celebrations, Raspberry Tea, Harvest Tea are held at the museum
- Gallery of Glory – a display and history of achievements of local people
- Two volumes of *Grass to Grains*, books that detail the history of all local families, churches, service groups, etc. in the area, have been published.
- Eston has several buildings as designated historical sites: Evans House, Lovedale School, and the former R.M. Office. The Town Office is also listed as a historical building.
- Eston Cemetary is located 1 km north of Eston. Records from 1914 onward are held at the R.M. of Snipe Lake office. There is an on-site burial plot listing in the arbour at the west end
- Penkill Pioneer Cemetary and Madison Cemetary are recorded with the Saskatchewan Genealogical Society
- There are many marked school sites in the area: Amdewanda, Bechtel, Centrefield, Guthrie, Isham, Newburg, Penkill (now located at Riverside Park), Prouse, and Snipe Lake
- local ex-pat and philanthropist, Dr. Frederick Mulder, has donated a Pablo Picasso print to our local museum
- Town Council, in conjunction with Community Futures, has developed a trails master plan “*Official Community Plan*”. Plans to develop the trail in phases.

- Veterans names have been added to the Legion's "Virtual Wall"
- Historical "plaques" for buildings in our business district was begun by a couple of our former mayors. Businesses were approached to purchase the plaques and they are displayed in an area that is visible to the outside. (in a window or hung on the outside of the building)

#### **FLAGS REPLACED IN FIELD OF HONOUR**

New flags were placed on the 187 graves of veterans in the Field of Honour, Eston Cemetery. Completing the project were Legion members Jason Beckstrand, Mike Fielding and Garnet Keeler. Posing at the gate are Garnet Keeler (left) and Bill Jeffery (veteran).

Children who helped to set the flags were Tatem Johnston, Bergan Beckstrand and Hurley Beckstrand.

Our File: MHP 2403

Mr. Gary Johnson, Administrator  
Town of Eston  
P.O. Box 757  
ESTON SK S0L 1A0

RECEIVED MAY 26 2011

Dear Mr. Johnson:

This letter acknowledges receipt of a copy of your notice of intention to designate and a certified copy of your Bylaw No. 10-2010 to designate the following as Municipal Heritage Property:

**Lovedale School**  
Municipal Reserve MR5

As required by section 12(3) of *The Heritage Property Act*, please ensure that you have:

- served all property owners included in the bylaw with a notice of designation;
- registered an interest based on the notice of designation in the Land Titles Registry against all titles for the parcels of land included in the bylaw.

We are pleased to include this property on the **Saskatchewan Register of Heritage Property** ([www.tpcs.gov.sk.ca/heritage](http://www.tpcs.gov.sk.ca/heritage)) and to nominate it for listing on the **Canadian Register of Historic Places** ([www.historicplaces.ca](http://www.historicplaces.ca)). Our office may contact you, should we require further information to support this listing.

The Town of Eston is to be commended for preserving its heritage through public recognition and protection under *The Heritage Property Act*.

Please feel free to contact me if you have any questions.

Sincerely,

Jennifer Bisson  
Municipal Designations Advisor

### *The Gap*

*Located 20 km Southwest of Eston, landmark for early travelers located at the edge of the River Hills.*

### *Lancer Ferry*

*Located 23 km South of Eston this ferry has operated since 1913.*

### *Plato Post Office*

*Said to be the smallest free standing Post Office operating in Canada.*

**Urban Forestry** (Written policies, by-laws and regulation plans. The distribution of trees, variety, suitability, new plantings, main street programs, new survey developments, preservation of heritage trees, woodlots, and re-planting procedures. Having qualified personnel (volunteer or staff) for professional maintenance, pruning, IPM and trouble-shooting.)

**Eston School Students and community volunteers planting trees in the new Urban Orchard - September 27th, 2012**

- Town has adopted policies for the management, selection and replacement of trees
- The Town continues to regularly maintain and replace boulevard trees, adding new trees on a regular basis to park areas, sports grounds, and other municipal land areas.
- Town has obtained equipment, including a bucket truck, and has trained employees for proper pruning techniques
- the Town has an Intergrated Pest Management Policy in place
- Town will be investigating options for Dutch Elm Disease Inspection now that the province is no longer supporting this service in this area
- A variety of trees have been planted to increase diversity both for aesthetics and to mitigate problems in a disease or pest that affects particular types of tree
- the Town is utilizing IPM to protect trees through early identification of pests and diseases

- In September of 2013 the Eston CIB and the Town of Eston, with a \$5000 grant from Canon, drew up plans for the of an Urban Orchard - located on old school grounds, with potential for small fruits. Over 250 trees were planted the first year with more fruit bushes added the following spring. This was a “Community project” – local residents and school students all took part in the planning. Communities in Bloom group has voluntarily done several “weeding” work bees around these newly planted trees. (See a copy of the article that appeared in the “Directions” magazine as well as the provincial Communities in Bloom magazine.) Irrigation lines have been installed at the Urban Orchard in 2016

- in July of 2014 Communities in Bloom held a Tree Pruning workshop, sponsored by Saskatchewan Parks and Recreation. Town employees attended the workshop, as well as many community members.

**Brenda Winney, Andrew Exelby (Sask Parks and Recreation), Leslie Kraft (Communities in Bloom member) and Brenda Morgan, Sask Parks and Recreation Summer student, checking out the trees in our Urban Orchard after the Pruning Workshop that was held on July 23, 2014.**

# ESTON COMMUNITIES IN BLOOM URBAN ORCHARD PROJECT

Eston's Urban Orchard Project, an example of community development, engagement and a dedication to quality of life.

In September 2012, phase one of a new Urban Orchard and Park took root in the community of Eston. The local *Communities in Bloom* committee were the fortunate recipients of a \$5,000 Canon Take Root grant, sponsored by Canon and Evergreen. The grant was used to begin the development of this new park, encompassing help from the Town of Eston, *Communities in Bloom*, Eston Composite School students and community volunteers. Upon completion, over 500 new fruit trees and shrubs will be planted in this new urban orchard and park.

the park and see what a difference their contributions have made in the community for generations to come." Following that, Cathy Cocks, an orchard owner from Empress Alberta, gave an instructional presentation on the importance of trees and a quick lesson on how to plant the trees. Once the brief presentations were completed, it was off to the planting site!

**What a sight to behold, with over two hundred local children, youth and community volunteers working together for the benefit of the town!**

To prepare for phase one, the local town crew prepared the new park grounds for planting and tree maps were laid out, trenches dug and watering plans put in place. The morning of September 27 brought bright sunshine, warm weather and lots of eager hands to help begin phase one of the planting. To kick-off the day, a brief assembly was held at the school and Eston Mayor, Al Heron, spoke about the importance of planting trees, telling students and community volunteers that in 20 years "they will be able to visit

Over 250 trees and shrubs were planted, with some earmarked as memorial trees. People dedicating memorial trees were welcome to take part and personally plant the tree that would be dedicated to their loved one, with memorial markers placed at a later date. Once all of the planting and watering was completed, the *Communities in Bloom* committee supplied a barbeque lunch for volunteers.

Future plans for the park include walking paths from all four corners of the park, intersecting in a centre site that will feature benches, flower gardens and statuary. This park is being built in the true spirit of community and will be enjoyed by many in the years to follow. ■

**Valarie Mohan, School Secretary**  
Eston Composite School

Policy:	<b>TOWN OF ESTON</b>	No: <b>T 3</b>
	<b>TREE PLANTING POLICY</b>	
	Approved: March 24, 2010 Revised:	Initial:

**Purpose:** To provide a guideline for planned planting of trees within the Town of Eston that will be successful and add to the beauty of the community.

**Policy:**

1. The Town of Eston requires that planting of shade trees, ornamental trees and coniferous trees on public property, boulevards or adjacent to the street or boulevard be from Appendix A – Tree Suitability.
2. Permission must be obtained in advance for any planting on public property including the boulevard between a private property and the street.
3. The spacing between trees will be determined by the potential size of the mature tree. The following guidelines are provided.

**Boulevards – Minimum of 20 feet for:**

- .1 Ornamental Trees
- .2 Small shade trees

**- Minimum of 30 feet for:**

- .1 Large shade trees (poplar)
- .2 Adjacent private property (can be closer with written agreement between property owners)

**Yard Planting - Minimum of 10 feet from:**

- .1 Adjacent private property (can be closer with written agreement between property owners)
- .2 Underground services such as water, sewer, gas, electric and telephone.

**- Minimum of 15 feet from:**

- .1 Sidewalk, street or alley.
- .2 Traffic signs, street lights or fire hydrant.

**- Minimum of 30 feet from:**

- .1 Intersection

3. Trees planted closer than allowed under this policy may be removed, trimmed or moved by the municipality at any time.

### Appendix #3 - Suggested List of Tree and Shrub Species

Provided by the City of Saskatoon Infrastructure Services Department, Parks Branch

Common Name	Botanical Name	Spacing	Shape, Color, Mature Height
<b>Deciduous Trees (seasonal)</b>			
Black Ash	Fraxinus 'Nigra'	7.0m	oval shape, light green color, 8m ht.
Mancana Ash	Fraxinus 'Mancana'	7.0m	oval shape, green color, 10m ht.
American Elm	Ulmus Americana	7.0m	high head, green color, 25m ht.
Basswood	Tilia Americana	7.0m	low head, dark green color, 15m ht.
<b>Deciduous Shrubs (seasonal)</b>			
Amur Maple	Acer Ginnala	4.0m	low head, good fall color, 5.0m ht.
Silver Buffalo Berry	Shepherdia Argenta	2.5m	ball shape, silver green color, 2.5m ht.
Red Osier Dogwood	Cornus Sericea	1.5m	mound like, red stems, 2.0m ht.
Siberian Coral Dogwood	Cornus Alba 'Siberica'	1.5m	upright, bright red stems, 1.5m ht.
Silver Leaf Dogwood	Cornus Alba	1.5m	upright, white-green color, 1.5m ht.
	'Argenteo Marginata'		
Sweetberry Honeysuckle	Lonicera Caerulea	1.5m	round, yellow-white flowers, 1.5m ht.
Golden Flowered Currant	Ribes Aureum	1.5m	dense foliage, gold color, 1.2m ht.
Adelaide Hoodless Rose	Rosa Arkansana 'Adelaide'	1.5m	sprawling, deep red flowers, 1.0m ht.
Sandcherry	Prunus Pumila	1.5m	spreading, grey-green color, 500mm ht.
Katherine Dykes Potentilla	Potentilla Fruticosa	1.0m	arching growth, yellow flowers, 1.0m ht.
	'Katherine Dykes'		
Three Lobed Spirea	Spiraea Trilobata	1.0m	ball shape, white flowers, 1.0m ht.
<b>Coniferous Trees (year round)</b>			
Black Hills Spruce	Picea Glauca Densata	4.0m	narrow pyramid, dark green color, 15m ht.
Scots Pine	Pinus Sylvestris	4.0m	5-7cm needles, blue green color, 15m ht.
<b>Coniferous Shrubs (year round)</b>			
Arcadia Juniper	Juniperus Arcadia	1.5m	spreading, green color, 500mm ht.
Compact Mugo Pine	Pinus Mugo 'Compacta'	1.0m	round, dark green color, 1.0m ht.

Note: There are many other appropriate plant materials available. Contact your local nursery or landscape contractor.

Table 2: Tree Species and Site Suitability

TREE TYPE		SITE SUITABILITY			
		OPEN SPACE <sup>1</sup> Includes parks, schools, golf courses, cemeteries and special use areas.	STREET TREES		
			RESIDENTIAL STREETS / PUBLIC WALKWAYS	Turf Areas or Planting Beds on BOULEVARDS / MEDIANS (>10m WIDTH) & TRAFFIC ISLANDS (>75m)	TREE WELLS/HARDSCAPE (In hard surface areas such as sidewalks, plazas, etc: concrete, paving stone)
D E C I D U O U S  T R E E S	SHADE TREES	Ash species [DT] Birch species [IRR] Black walnut [X] [IRR] Butternut [X] [IRR] Elm species <sup>2</sup> Delta Hackberry Horse chestnut [X] [IRR] Linden species Maple species Oak species Ohio buckeye [X] Poplar species [DT] Russian Olive [PS] Willow species Honey Locust [X]	Ash species [DT] Bur oak [DT] Elm species [DT] Delta Hackberry [H?] Linden species Poplar species [DT] Silver maple [H?]	Ash species [DT] Bur oak [DT] Elm species [DT] Delta Hackberry [H?] Linden species Poplar species [DT] Silver maple [H?]	Ash species [DT] Elm species [DT] Linden species
	ORNAMENTAL TREES	Mountain ash species Amur maple [DT] Cherry species [DT] Japanese tree lilac [DT] Rosebloom crabapples [DT] Russian olive [ST] [DT] Snowbird hawthorn [DT] Ussurian pear [DT] Mountain Alder [X]	American mountain ash Amur cherry Japanese tree lilac [DT] Mayday cherry [DT] [P] Rosebloom crabapples [DT] Schubert chokecherry [DT]	American mountain ash Amur cherry [H?] Amur maple [DT] Japanese tree lilac [DT] Mayday cherry [DT] [P] Rosebloom crabapples [DT] Schubert chokecherry [DT]	Japanese tree lilac [DT] Schubert chokecherry [DT]
	CONIFEROUS TREES	Pine species [DT] Siberian larch [DT] [ST] Spruce species Sub-alpine fir Tamarack Douglas fir [X]	Scots pine [DT]	Colorado spruce [DT] Scots pine [DT] White spruce Norway Spruce	Scots pine [DT]

Table 3 provides a more detailed description of the recommended species and cultivars.

**Table 3: Species and Cultivars**

GENUS	RECOMMENDED SPECIES and CULTIVARS
ALDER (Alnus)	'Mountain Alder'(X)
APPLE (Malus; ROSYBLOOM CRABAPPLE) (DT)	'Almey' (rose), 'Hopa' (purplish-pink), 'Kelsey' (purplish-red), 'Makamlk', 'Pygmy' (deep purplish-red), 'Red Splendor' (light pink), 'Rudolph' (deep rose) 'Selkirk' (pink), 'Thunderchild' (pink), Radiant crab (X) 'Strathmore' (pink) (X), 'Snowdrift', (X)
ASH (Fraxinus) [DT] [ST]	Green ash [DT] [ST]+ CV=s/selections: >Patmore', >Bergeson', >Prairie Dome', >Autumn Blaze' White ash [X], Black ash+ CV=s: >Fallgold", >Mancana' Manchurian ash, 'Prairie Spire', Northern Blaze
BIRCH (Betula) [IRR]	Chinese paper birch, Paper birch +CV=s: >Chickadee=, European birch
BUCKEYE (Aesculus)	Ohio buckeye Horse Chestnut
CHERRY (Prunus) [DT]	Amur cherry, Canada plum, Mayday tree [P], Pincherry [ST], Chokecherry [ST]+ CV: >Schubert=, Jumping Pound
ELM <sup>2</sup> (Ulmus) [DT] [ST]	American (White) elm, Siberian elm, Brandon elm.
Hackberry (Celtis)	Hackberry+ CV's: Delta
Hawthorne (Crataegus)	Hawthorne+ CV's: Snowbird, Toba.
LINDEN (Tilia)	American Linden, Little-leaf linden + CV=s: Greenspire/Norlin, Dropmore linden + CV=s: 'Wascana', Mongolian linden, Boulevard (X),
MAPLE (Acer)	Amur maple, Manitoba maple [DT]+ CV=s: >Baron', Tartarian maple, Silver maple[H?] [DT] + CV=s: 'Northline'[H?], Silver Cloud, Northwood; Norway maple [X] + CV=s: >Schwedler'[X], >Crimson King[X], Sugar maple [X].
OAK (Quercus)	Burr oak [DT], Northern red oak[X], Mongolian oak[H?], Scarlet oak [X], White Oak
OLEASTER (Elaeagnus)	Russian Olive
PEAR (Pyrus) [DT]	Ussurian pear + CV: >Ure= [DT]
PINE (Pinus) [DT]	Scots pine, Lodgepole pine, Swiss stone pine, Jack pine [ST], Mugho pine, Ponderosa pine[H?] White Pine?
POPLAR (Populus) [DT]	European columnar aspen, Plains cottonwood + CV=s, Tower poplar, Northwest poplar, Russian poplar cultivars, Trembling aspen, Berlin poplar, Silver poplar[H?], Balsam poplar, Assiniboine poplar, Manitou poplar
SORBUS	Mountain Ash and CV's: American fastigata P, Rossica, Showy, European
SPRUCE (Picea) [DT]	Norway spruce, White spruce, Colorado (Blue) spruce [DT], Black Hills.
SYRINGA	Japanese tree lilac+ CV's : Ivory Silk
WALNUT (Juglans)	Black walnut (X), butternut (X).
WILLOW (Salix)	Laurel-leaf willow, Peach leaf willow [DT] [ST], White willow + CV=s: 'Chermesina' (Red-barked white willow), 'Sericea' (Siberian white willow), 'Vitellina' (Golden willow) (X) 'Tritlis' (Prairie Cascade)

## Landscaped Areas – includes Turf and Open areas

(an environment where plants are an essential element of the whole surroundings – water gardening, gazebos, parks, public gardens, community entrances, businesses, roadway medians. Native and introduced materials, balance of plants, materials and constructed elements, harmony, colour, texture, shape, high standards of maintenance, site rejuvenation, habitats for birds, butterflies or other small wildlife. Quality and naturalization of groundcovers and wildflowers, turf management (manicured to rough), mowing height and frequency, IPM, fertilization, irrigation, water restrictions. Conditions of turf on parks, sports fields, cemeteries, homes and businesses.

- Eston CIB has developed several small “pocket gardens/parks” with permission and help from the Town

- the Town has ongoing development of park spaces, also adding benches, tables, etc. to various areas
- perennial grasses were added to the landscape area around the town's “Gopher” mascot

- Town has purchased mowing equipment suitable for areas being maintained

- Provisions made to water Jamieson and Henry Hamilton Parks as required

- Weed control is aided by selective herbicide application (with trained town employees) in the fall and spring
- Two baseball diamonds have sprinkler irrigation
- Walking path developed by museum includes benches and a fountain in “Hanson Lake”

- Eston Composite School has planted ground cover for their football field; watering is done using grey water from Jamieson Park
- Eston Cemetary is maintained by the RM of Snipe Lake

- A disc golf course has been added to the park area South of the Museum
- a **NEW** batting cage has been added to the sports grounds
- Town managed parks – Henry Hamilton, Jamieson Park, Peace Park
- Eston Lions Club members repaired damage around the town's "Gopher" at the end of Main Street and built the fence to back the gopher
- a new fence was built for the Eston Lions Swimming Pool by the Eston Lions Club (March 2016)

- Planter boxes have been built around the entrance signs coming into Eston and planted with perennials indigenous to the area

- New lawn at Eston Composite **(20160** – The local SCC did spring fundraising to purchase new sod for the school. The sod was laid with volunteer help. Grass area maintained by Sun West School Division.

- School Staff volunteers maintain and plant the areas around the Stepping Stone Path, Shirley Sim Owens Memorial Bench, the Meagan McNabb Memorial Flower Bed and the remaining flower beds in the school grounds
- Town owned boulevards – it is the expectation that home owners and residents maintain their respective boulevard area

- Perennial beds have been begun to spruce up the entrance to the Community Complex. (2016) Here is the new bed at the South Entrance.

**Floral Displays** (Includes arrangements, originality, distribution, location, balance, color, variety, harmony and maintenance of flowerbeds, planters, containers and window boxes.)

- you will note many floral displays throughout our community. CIB has worked hard to maintain several of these displays, as well as encouraging local residents and businesses to do the same

- **NEW** – as part of our Centennial celebration, a “Floral” Contest has been sponsored by a “Mainstreet Beautification” group to encourage businesses to add flowers to their business frontage

- Communities in Bloom barrels are placed in various areas around town, with CIB members doing the planting and maintenance

- Town-owned Concrete Planters are placed in front of businesses on main street with local businesses alternating year to year on the planting and maintenance of the planters

- Hanging Floral Baskets purchased by Communities in Bloom are hung on streetlights on main street, with Town Employees and CIB members sharing the watering duties

- Local businesses and community members are encouraged to plant and maintain their own flower beds in front of homes and businesses

- A Perennial and Annual Flower bed was created in front of an empty brick building on Main Street, adding great visual appeal to that area

- Flower beds developed and maintained by CIB members include Andrea's View, Henry Hamilton Park, planters at the Sportsground entrance, and the Campground bed.

- Centennial Park and the **NEW** annual planters hung on the fence at the Lions Swimming Pool
