Welcome! Eston Communities in Bloom is pleased to introduce you to us and to our community.

General Information <http://www.eston.ca/>

Community: **Town of Eston** Population: **1061**

Total area of Community: **Approximately 320 acres**

Percentage of Community budget dedicated to parks: **2%**

Percentage of Community land consisting of municipal parks/green spaces: **11%**

The Town of Eston is in the heart of West Central Saskatchewan at the junction of Highways 44 and 30, within the boundaries of the Rural Municipality of Snipe Lake. It is an oil-rich area which boasts prime agricultural land as well as many opportunities for hunting and fishing. It is approximately 15 miles north of the South Saskatchewan River and the Eston Riverside Regional Park, a prairie oasis boasting excellent camping, a nine-hole golf course with grass greens, a swimming pool and a recreation hall. The Lancer Ferry which crosses the South Saskatchewan River is nearby.

The town business district offers services including a drug store, a grocery store with liquor vendor, two motels, a B & B, three restaurants, a flower/gift shop, service station, card lock, a bank, a credit union, a dumping station, a hardware store, a tire shop and a farm implement dealership. Tradespeople, including plumbers, electricians, carpenters, building contractors and welders are resident in the town. There are also several businesses serving the local agricultural industry.

The town has a resident nurse practitioner along with a regular rotation of Locums provided by the Health District. The health center offers lab services and long-term care services. We have a massage therapy office, dental office, chiropractic office and physiotherapist office that are open 1-4 days per week, dependent on service.

Eston has its own local RCMP detachment, with two members residing in the community.

The Regional Library on Main Street has a large selection of books, magazines and other materials and provides free internet service. Eston is linked to a province-wide network for the borrowing of books and other library materials. The **local genealogical society** has a small library within the main library. Copies of the local newspaper are available on microfilm from 1917 to the present.

The AGT Community Centre is a large multi-use recreation and convention centre that provides year-round recreational opportunities including hockey, bowling, curling, figure skating, and access to the local Larry Thome Fitness Centre. Adjacent is the Eston Lions' Swimming Pool which offers public swimming, water aerobics and swimming lessons during the summer season and Reaburn Field, the senior ball diamond. There are several minor ball fields located nearby and in winter months there is an outdoor skating surface cleared at Jamieson Park. Eston has an in-town campground adjacent to

the community complex. Two other parks, Jamieson Park and Henry Hamilton Park also provide **green space**.

Eston has two private dance schools as well as private class offerings for piano, instrumental and voice lessons, aerobics, and private and group fitness classes.

The local Wheatland Centre provides a varied program of activities for those over 50 years of age as well as being used to host various community and private functions.

Eston has three official **municipal heritage buildings** - the local museum complex, the Prairie West Historical Centre, and the old Town Office. In addition to preserving artefacts illustrating the area's past, the museum is also building up a collection of archival material pertaining to the area.

The town has two schools, Eston Composite - a K-12 school, and Eston College, accredited by the Pentecostal Assemblies of Canada.

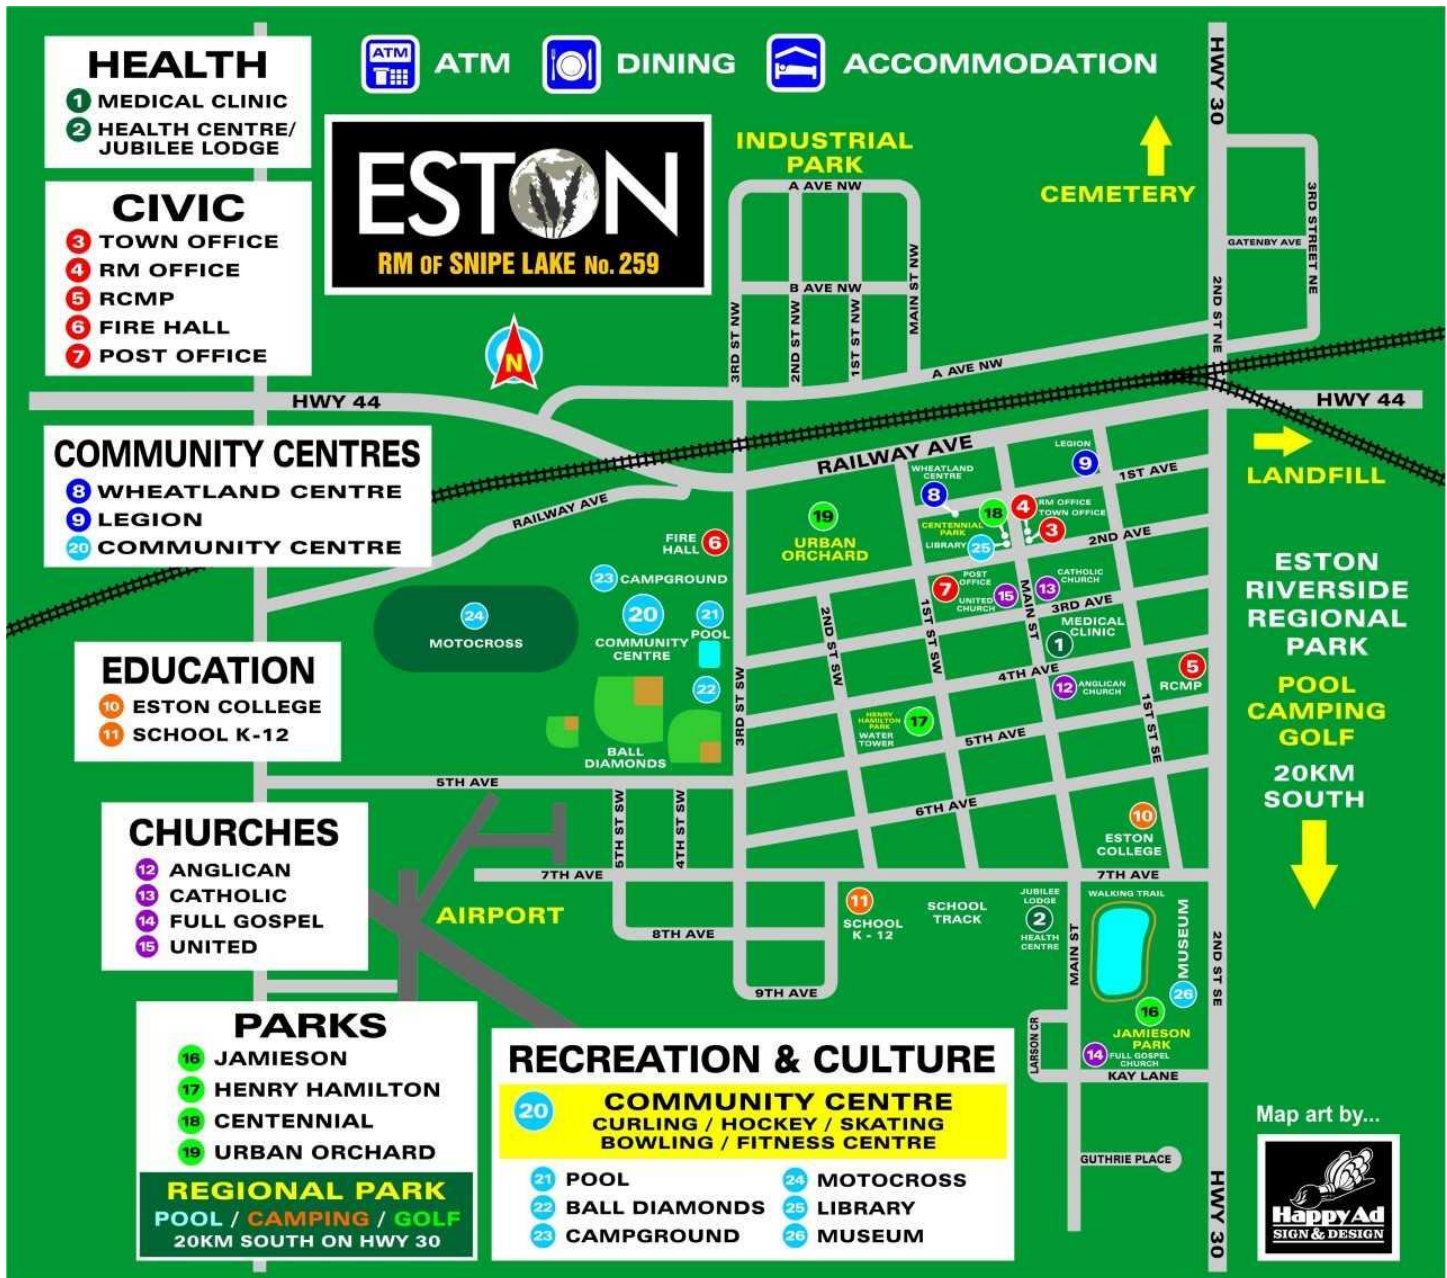

There are four active churches: Eston Full Gospel Church, Holy Cross Anglican Church, Sacred Heart Roman Catholic Church, and St. Andrews United Church.

There is an airport in town with two paved runways; #11 is .92308 km long while #16 is 0.6 km long.

Annual events in Eston include Ladies Night Out in April; the June Eston indoor Rodeo; July 1st Canada Day events which include beef-on-a-bun lunch and a **heritage program** at the museum; fall suppers are held in season; *Bizarre Bazaar*, a large craft show and sale is held in November, as well as another museum fundraiser - *Christmas in November*, which includes an evening of dinner, fashion show and silent auction; and the Legion hosts an annual community Christmas party. There are many more events throughout the year, including ball, soccer, golf, curling, hockey, and the skating carnival.

Eston is proud of its' reputation for great volunteers – a proactive, committed, and varied group of people to whom we owe so much for all of the offerings in Eston. The community has an assortment of service and social clubs including two Lions Clubs (which boast the largest Lions' memberships in Saskatchewan), the Prairie West Historical Society, the Eston Arts Council, Music Festival Committee, Dr. Stewart Holmes Scholarship Committee, and the Communities in Bloom Group. For youth, in addition to the various recreational sports and art groups listed previously, we have an active 4H group and a wide range of sports teams and art groups as extra-curricular at the local school.

Map of Eston

New Projects in 2021 (and 2020 – Covid year – no judging)

- **(2021) CiB purchased new Banners for Main Street**
- **(2021) CiB added some winter interest and solar fairy lights** to our planters around the Main Street Gopher and Centennial Park.
- **(2021) added new artwork** to the fence behind the Town Gopher
- **(2021) – Added a new wrought iron chair** to match the memorial bench in Centennial Park
- **(2020 and 2021) CiB decorated the Town Gopher** in support of our Grade 12 Graduates (2020 – Covid19) as well as for other occasions such as Christmas and Halloween.
- **(2020) CiB created a small Fairy Garden** in the small empty frontage of a main street lot
- **(2020) The community stepped up to help celebrate our Grade 12 Graduates, decorating their homes (windows and yards)** and taking part in a graduation parade drive-by to honour the graduates; windows were decorated with stuffed animals to create a drive-by scavenger hunt for families; hearts and rainbows as thank-you's to health care staff and essential workers.
- **(2020) CiB joined The Kindness Rocks Project** – painted Rocks with inspirational messages were placed around town in unexpected places for people to enjoy and/or take home if they chose. Residents were encouraged to create and place some of their own.
- **(2020) CiB new plant markers**, using metal “gophers” created and donated by a local Entrepreneur.
- **(2020) CiB developed a small Fairy House**, utilizing a small, neglected corner of a business lot on Main Street

About Eston Communities in Bloom

The Eston CiB is made up of a small group of hard-working community members who volunteer their time to help beautify the town and by extension, encourage community pride. Our group includes two original members, as well as 3 new members this year. At this time we do not have a Town Councillor to act as liaison between our group and the town but we do have a good rapport with the Town CAO, who passes along any information and requests we may have. The Town of Eston continues to support our group with an annual \$2500.00 grant. This is foundation of our yearly budget. Any additional funding for extended projects is raised through private and service club donations.

The Town crew and Parks and Recreation department helps with the summer watering schedule by watering two days each week. They are also very amenable when we have approached them for nominal help in other areas of our projects.

Our 2021 CiB Committee members are: Doreen Reaburn, Val Mohan, Leslie Kraft, Loreen Buskell, Ellen Owens, Shari Collinge, Desi Beckstrand and new members Rita Tessier, Edna Williams and Barb Christiaens.

History of Eston Communities in Bloom

Eston Communities in Bloom (CiB) was started in 2000 at the request of the Town of Eston. A small group of like-minded people got together, and with a grant from the town, began the first Eston Communities in Bloom Committee. (Original Committee members: Loralie Wagner, Fay Krenz, Val Mohan, Doreen Reaburn, Jane Cook, Ruth Miller, Mavis Mulder, Lori Ries and Celeste Jackson; Town Rep: Lynda Hunter) The goal was to focus CiB as an ongoing “community project” that would earn our community a good rating in the annual provincial judging and more importantly, encourage increased civic pride and a more esthetically pleasing community.

Eston CIB’s first year concentrated on the business section, promoting CiB and fundraising to purchase oak barrel planters that we filled with flowers and placed along Railway Avenue and Main Street. (These are our *Blooming Barrels* that you still see in various forms on Main Street today.) We also held several community “clean-up” days. We received 1 Bloom that year.

Since the first year of inception, we have taken on many different projects **that you will find listed in the pages that follow**. Over the years we have also hosted various events to try and involve residents. As it would be impossible to host all these events every year, we change up our community-related activities year to year to accommodate our volunteer group’s time and interest from the public. A few events we have held over the years include:

- Pumpkin, tomato, and flower growing contests and craft projects for children.
- Bee House “make and take” night.
- Community Cleanup days, including in conjunction with Pitch-In Canada events

- Served hotdogs and treats to school students as thanks for help in the community cleanup day.
- July 1st Container Garden contests
- Garden Party Tea with guest speaker and slide show
- Boulevard tree-pruning days
- Spring tree pruning workshop, with sponsorship from SPRA.
- Perennial Flower Bed Workshop
- We have hosted tables at town events such as *“Welcome to Eston” events, local Trade Shows, and various “Volunteer” nights.*
- July 1st Parade Float entries
- “Best yard”, “Best Floral”, “Best Public Space”, “Best Commercial”, “Best Group of Homes”, “Best Senior Gardener” awards
- Putting words of thanks and encouragement on “balloons” which we staked in random yards to acknowledge yard improvements.
- planting the Urban Orchard ... and hosting a barbeque lunch that followed

Over the years residents and business owners have joined us in promoting Communities in Bloom as they have witnessed firsthand the positive benefits to our community. Our committee has promoted CiB and shared information by way of “Door hangers” (which one year were distributed by volunteers from the local Bible College), Informational leaflets and flyers via Canada Post, the town of Eston webpage, and Media coverage in the local paper. Keeping up with the times, our number one reach to a wider audience is through social media on our group’s Facebook and Instagram pages.

Our CiB contributions have paid off in many ways for our community and we hope to continue for years to come.

“Communities in Bloom - People, Plants and Pride... growing together.”

Provincial Judging Information by Category ...

Community Appearance (This category reflects an overall effort by the municipality, businesses, institutions, and the residents throughout the community to create great first impressions and a sense that there is continuous attention and upkeep to critical elements of a community that benefit quality of life and economic vitality. Elements for evaluation are parks and green spaces, medians, boulevards, sidewalks, streets; municipal, commercial, institutional, and residential properties; ditches, road shoulders, vacant lots, signs, and buildings; weed control, litter clean-up (including cigarette butts and gum), graffiti prevention/removal and vandalism deterrent programs.)

- **(2021) Purchased new Banners for Main Street**
- **(2020) Created a small Fairy Garden** in the small empty frontage of a main street lot
- **(2020)** The community stepped up to help **celebrate our Grade 12 Graduates**
- **(2020) CiB “dressed” the Gopher** for several occasions (Graduation, Halloween, Christmas)
- **(2020) CiB joined The Kindness Rocks Project** – painted Rocks with inspirational messages were placed around town in unexpected places for people to enjoy and/or take home if they chose. Residents were encouraged to create and place some of their own.

- **Huge Volunteer turn-out for Community Cleanup after a destructive July storm (2019)**
- **CiB hosted a “Pitch-in Canada” community cleanup and a barbeque lunch** for all Eston Composite School students and local residents who took part in the cleanup week (2019)

- The Town purchased and placed a new **“Town Map” on highway (2018)**

- **New “CiB Project” signs** were posted in mini-parks /pocket gardens (2018)
- **Town Directory Signs** were erected by the Town (November 2017)
- **Improvements and upgrades** to both Reaburn Field and the Minor Baseball Diamonds in preparation for the Provincial Mosquito Ball Tournament (May/June 2018)
- New Town ***Harvest Moon Festival*** was held in the fall of 2018
- Town and local businesses sponsored a **Pumpkin Growing contest** for students in grades 1-5; Free seeds were handed out in spring; judging took in the fall at the town’s *Fall Festival* and winners were awarded prizes. (Spring 2018)
- Eston Composite School developed “raised garden beds” as phase 1 of a planned **Outdoor Classroom** (June 2018)

- **CiB added a “Checker/Chess” table and seating** to Henry Hamilton Park (2018) (CiB purchased the material and Grade 10 construction students built the table; another resident painted the table for us)
- **New sponsorship and appropriate signage added** to several town recreation areas in the fall and winter of 2017/2018 to AGT Community Complex, Eston Lions Pool (with Brummund Acct), Reaburn Field (with Crescent Point Energy) and the minor ball diamonds (courtesy of Eston Sheet Metal)
- **New paint and repairs done to the ‘Outdoor’ rink surface** by parent volunteers in June and July 2018. This surface is used by youth in the summer months for skateboarding.
- **CiB added Blue solar lighting** to the top of the gazebo in Henry Hamilton Park (Summer of 2017)
- CiB added a **Brick border** to Andrea’s View (August 2017)
- **CiB added Blue solar lighting** to the 5 planters at the gopher for the winter months, as well as along the fence line of Centennial Park (Fall of 2016)
- **Jamieson Park** – CiB added an archway to the walking path entry
- **trim on various empty downtown buildings was painted by volunteers** (2016)

- concrete planters and garbage containers were **painted** (2016)

- the Eston Lions Club **replaced the wooden fence at the local swimming pool** (2016)
- the School Community Council and volunteers **planted new sod at the school** (2016)
- Street Corner curbs were repainted (2016)
- **Street Sweeping is contracted out** and is done each Friday.
- **Swimming pool building was painted** (2016)
- ECS **Student Artwork displayed** in windows of empty downtown buildings (2016 to date) One of these buildings is since demolished.

- The Parks and Recreation staff spend many **hours working on the ball fields** and the sports grounds. In **July 2018 major improvements and upgrades** were done to both Reaburn Field and the minor ball diamond in preparation for the Provincial Mosquito Ball Tournament.
- Volunteers and Parks Staff **removed an unsightly and run-down building from the Sports grounds** (2016)
- The **Local Campground had upgrades** in the fall of 2015, including improving the base with grading and adding more gravel; in the summer of 2018 CiB planted 150 shrubs and trees in the campground.
- **Cigarette station** at the community complex has been moved further away from the doorway (2016)

- **Ongoing Community Cleanup** – individual volunteers and groups – Local Walkers pick up garbage, bottles, etc. as they are out on daily walks; CiB group has regular cleanup nights; the school staff and students do an annual spring community cleanup
- **Caring Hands**, a volunteer group of Health Centre staff, looks after the grounds of the Health Centre and does projects to beautify the inside of the building
- In addition to regular garbage pickup, the Town of Eston offers
 - **Weekly front street recycle** pickup in conjunction with Loraas
 - **Spring and fall back-alley pickup** for yard refuse
 - Regular monitoring of the Town Landfill site
- Town **policy is to cover or remove graffiti** when it appears.
- The Town has a “**Nuisance Abatement**” **bylaw** 05-2005, a copy is available upon request at the Town Office
- **Adopt-A-Lot Program** – people can “adopt” town lots for their own use (gardens, camper storage, etc) with the agreement that they will be responsible for cleaning and keeping the lot mowed, tilled, etc.
- The Town has a **Community Appearance Policy** to promote individual and business tidiness
- **To reduce litter on the highway**, the Landfill will not accept items where the load has not been covered or properly secured
- **Streets – repaired regularly**; some newly paved streets and with long-term plans including replacement of others

Policy:	TOWN OF ESTON	No: A2C
	COMMUNITY APPEARANCE INCENTIVES	
	Approved: April 13, 2011 Revised:	Initial:

Purpose: To provide incentives for the residents and businesses in Eston to improve the appearance of their properties to the benefit of the community.

Policy:

Residential:

1. As part of the Communities in Bloom judging for best yard in Eston a listing of properties showing a considerable effort into appearance of their property will be made by the judges. The criteria for the selection will include general appearance of the property. Properties with painting or renovations completed in that year will also be eligible.
2. By random draw improved properties will receive a cash payment of \$100.00. The number of payments will be limited to 50% of the properties selected to a maximum of four.
3. For rental properties where the improvement is related to the building the owner will receive the payment, where it is in regards to the appearance and maintenance of the yard the payment will go to the tenant.

Commercial:

1. Commercial properties that have and maintain a plant display will be eligible for a random draw for a cash prize of \$150.00.
2. Commercial property owners who improve the appearance of their property by painting, renovations or landscaping may enter their name into a draw for a \$150.00 cash prize to be applied to their taxes.

Environmental Action (Environmental Action pertains to the impact of human activities on the environment and the subsequent efforts and achievements of the community with respect to: policies, bylaws, programs and best practices for waste reduction and landfill diversion, composting sites, landfill sites, hazardous waste collections, water conservation, energy conservation, and environmental stewardship activities under the guiding principles of sustainable development pertaining to green spaces.

- **Co-operative Garden** – A community-based Co-operative Garden project was begun in 2019. The goal was to clear the donated plot of garden space and work on weed control, promote dialogue on the possibilities and benefits of the garden, and generate an increased interest for future years. The garden was halted in 2020 due to Covid but is in place again this year with 3-4 families working together in the space.

- **CiB hosted a “Pitch-in Canada” community cleanup** with Eston Composite School and other residents taking part (April 2019)
- A **THRIVE** committee was formed, and a local Farmer’s Market began (June 2019) operating on 2 Saturdays per month throughout late June to September (currently inactive due to Covid and hopefully regrouping in the fall of 2021)
- **Earth Day** – ECS students took part in a Co-op initiated project and decorated over 200 paper grocery bags in honour of Earth Day (April 2019)

- **CiB held a “Make and Take” Bee House building and information night in April 2019**

- **Community Bulletin Boards** are placed in visible areas of several local businesses (Co-op Grocery Store, DT's Restaurant, Post Office, Credit Union, as well as window and/or counter space for displaying posters in the Bank, Pharmacy and Library)
- The **Town won an award for being a good steward of waste**, the Waste Minimization Award, hosted by Sask Waste Reduction Council and Sask Power.
- **Recycling** pick up was turned over to LORAAS beginning June 2018
- **Cigarette station** at the community complex has been moved further away from the doorway (2016)
- **Annual Waste Oil collection** sponsored by local RM's.
- **Scrap tire pickup and recycling** sponsored by both the RM of Snipe Lake and the Eston Lions Club
- **To reduce litter on the highway**, the Landfill will not accept items where the load has not been covered or properly secured.
- Local walking groups collect **discarded pop cans and bottles** (donating the money to charitable organizations)

- **Composting location** offered for grass clippings and suitable yard waste adjacent to town shop.
- **Andrea's 3 R's** – local business for gently used goods.
- Annual **Community Garage Sale** organized by the volunteer group “Caring Hands”.
- **Solar heated swimming pool** (panels were destroyed in 2019 summer storm and again in winter 2021 storms)
- **State of the art water treatment/purification system**
- promotion of the Saskatchewan Watershed **low flush toilet rebate**
- **Use of grey water on green spaces** (surface water to Hanson Lake (at Jamieson Park).
- the **water from the Lions Swimming Pool is recycled** – given to various oil companies for use on well sites.
- Sewage – there is a **Class One sewage lagoon** with a capacity of 113,000 gallons per day, located east of town.
- **Water** – the Town gets water from the EK water line that receives its' water from wells located close to the South Saskatchewan River. It is treated by chlorination, filtration, and flocculation. The water treatment plant has the treating capacity of 200 gallons per minute. The distribution capacity of the pumping unit is adequate to provide a pressure of approximately 40 psi. (**SEE UPDATED INFORMATION THAT FOLLOWS ...**)
- **Rural 44 Water Public Utility** - Construction is currently underway on a more than \$18 million potable water delivery project that involves building a pumphouse, installing nearly 300 km of distribution pipe, upgrading the Town of Eston's water treatment facility and twinning a portion of the EK raw water line. The project is expected to be fully operational by the summer of 2022.
- **Desert Planters and hanging baskets** – Communities in Bloom barrels and hanging baskets have water reservoirs for water conservation.

- **Sparks Waterway project** – a local Squirts group painted around several town manholes to raise public awareness in keeping our waterways and storm sewers free of chemicals and pollutants.

- **“Idle free” signs** have been posted on the school building and Recycle Centre parking area for several years

BYLAW NO. 12-2010

A BYLAW of the Town of Eston, in the Province of Saskatchewan, to increase recycling.

THE COUNCIL FOR THE TOWN OF ESTON IN THE PROVINCE OF SASKATCHEWAN ENACTS AS FOLLOWS:

1. SHORT TITLE

- 1.1 This Bylaw may be cited as Landfill Recycling Bylaw

2. PURPOSE

- 2.1 The purpose of this Bylaw is to eliminate the disposal of recyclable materials in the landfill.

3. DEFINITIONS

- 3.1 In this Bylaw:

a) **Recyclable Materials**

Includes all materials that can be deposited or collected for recycling in the Town of Eston and includes, but is not limited to clean cardboard and paper, plastic and glass containers, batteries, tires and electronic equipment.

b) **Scrap Metal**

Includes all metals with the exception of tin cans and propane tanks.

c) **Landfill Supervisor**

Any employee assigned duties or person contracted by the Town of Eston to provide supervision at the landfill.

4. ACCESS TO LANDFILL

- 4.1 Public access to the landfill is not available for any recyclable items as determined by the Town of Eston with the exception of scrap metal.
- 4.2 The Landfill Supervisor shall determine if any material is recyclable and will require that it not be unloaded.
- 4.3 Failure to follow the instructions of the Supervisor or disposing of recyclable materials at the landfill will result in future access of any kind being denied.

5. OFFENCES AND PENALTIES

- 5.1 No person shall:

- a) fail to comply with to this Bylaw;
- b) obstruct or interfere with any Landfill Supervisor or any other person acting under the authority of this Bylaw;
- c) fail to comply with any other provision of this Bylaw.

- 5.2 A Landfill Supervisor who has reason to believe that a person has contravened any provision of this Bylaw may have served on that person a Notice of Violation, which Notice of Violation shall indicate that the Municipality will accept voluntary payment in the sum of One Hundred Dollars (\$100.00) to be paid to the Municipality within thirty days.

Heritage Conservation (Heritage Conservation includes efforts to preserve natural and cultural heritage within the community. Preservation of natural heritage pertains to policies, plans and actions concerning all elements of biodiversity including flora and fauna, ecosystems and associated geological structures and formations. Cultural conservation refers to the heritage that helps define the community including the legacy of tangible (built/hard assets) elements such as heritage buildings, monuments, memorials, cemeteries, artifacts, museums and intangible elements such as traditions, customs, festivals and celebrations. The participation of groups such as historical societies and conservation groups is considered).

- The **Town Gopher**, positioned at the intersection of Main Street and Highway 44 is a testament to the history of the Town's "Gopher Days" heyday in the 60's, 70's and 80's. The Gopher does his best to dress for many special occasions.
- A local **THRIVE** committee was formed in the fall of 2018 and they have brought back our "Eston Gopher". The gopher logo and the catch phrase "Go-pher it" is being used community planned events and others are encouraged to use it as well. Events often have visits from the community gopher.
- **Museum Wildflower Garden** – has a brass plaque (on the huge rock in the center of the garden) showing historical information. Volunteers at the museum are currently (2021) working very hard at rejuvenating this garden.

- New **HERITAGE GALLERY** (a wall of fame showcasing local sports, arts, and volunteers over the years) at the local Museum, showcased at the spring 2019 opening of the museum.

- the Prairie West Historical Centre has a number of **Heritage Outreach programs** available for grade K-6 students, such as “Pioneer Easter”, “Pioneer Community Life”, “Pioneer School etc. Schools from many communities in the area take advantage of these offerings.

- **Prairie West Historical Centre** – We have an active museum committee that works towards preserving, restoring, and educating our community on historical artifacts and buildings.
- Eston has three **buildings designated as historical sites**: Evans House, Lovedale School, and the Town Office.
- **Genealogy** – The local library offers access to newspaper microfilms, as well as some reference books.
- Businesses display their **building’s historical plaques** in an area that is visible to the outside (2016)

- Several corporate sponsors pledged financial contributions towards the upkeep and operation of our Community Complex and Ball diamonds.

- School students have **done research and presentations on local veterans and Legion members**. Residents were invited to attend. Students also take part in creating poems, writings, and artwork for display at both the school and the Legion Remembrance Day Services.
- **Music Festival and Arts Council** – they work to preserve and maintain art and culture in the community (music festivals, art shows, Bazaar Bazaar, etc.)
- **Canada Day** celebrations, **Raspberry Tea**, **Harvest Tea** are held at the museum.
- There are many **marked school sites** in the area: Amdewanda, Bechtel, Centrefield, Guthrie, Isham, Newburg, Penkill (now located at Riverside Park), Prouse, and Snipe Lake
- local ex-pat and philanthropist, Dr. Frederick Mulder, **donated a Pablo Picasso** print to our local museum.
- **Gallery of Glory** – a display and history of achievements of local people that is on display at the Community Complex.
- **Family Historical records** - two volumes of *Grass to Grains*, books that detail the history of all local families, churches, service groups, etc. in the area, have been published. A reprint and update of the *Grass to Grain* book was done in 2009.

- **Cemetery** is located 1 km north of Eston. Records from 1914 onward are held at the R.M. of Snipe Lake office. There is an on-site burial plot listing in the arbour at the west end.
- **Penkill Pioneer Cemetery and Madison Cemetery** are recorded with the Saskatchewan Genealogical Society
- Veteran's names have been added to the **Legion's "Virtual Wall."**

- **2016 marked Eston's Centennial** on July 1st weekend the Town held the main Centennial Celebration. It was a fantastic weekend which brought many ex-pats home to renew acquaintances and visit and share in celebrating Eston's history. Weekend events included *Opening Ceremonies*, with the *opening the of the 75th Anniversary Time Capsule*, a *parade*, *resurrection of the World Gopher Derby*, *ball games*, *pre-booked lunches and dinners*, *tours*, *Musical performances*, a *Cabaret*, *art displays at the museum*, and *lots of visiting ...*

- EPIC (Eston Players in Concert) performed a play, written by a local resident, about the history of Eston
- The history of Eston was also on display in many downtown store fronts – windows were filled with enlarged photographs of the past 100 years – photos of buildings, residents, and events.
- Tours were held, with memorabilia on display ie. Eston Legion, Prairie West Historical Museum, Eston Composite School, Wheatland Regional Library, the Code family collection ...

Our File: MHP 2403

Mr. Gary Johnson, Administrator
Town of Eston
P.O. Box 757
ESTON SK S0L 1A0

RECEIVED MAY 26 2011

Dear Mr. Johnson:

This letter acknowledges receipt of a copy of your notice of intention to designate and a certified copy of your Bylaw No. 10-2010 to designate the following as Municipal Heritage Property:

Lovedale School
Municipal Reserve MR5

As required by section 12(3) of *The Heritage Property Act*, please ensure that you have:

- served all property owners included in the bylaw with a notice of designation;
- registered an interest based on the notice of designation in the Land Titles Registry against all titles for the parcels of land included in the bylaw.

We are pleased to include this property on the **Saskatchewan Register of Heritage Property** (www.tpcs.gov.sk.ca/heritage) and to nominate it for listing on the **Canadian Register of Historic Places** (www.historicplaces.ca). Our office may contact you, should we require further information to support this listing.

The Town of Eston is to be commended for preserving its heritage through public recognition and protection under *The Heritage Property Act*.

Please feel free to contact me if you have any questions.

Sincerely,

Jennifer Bisson
Municipal Designations Advisor

Sites of Special Interest

Cemeteries

The Eston Cemetery is located 1 km North of Eston, the records from 1914 onward are held at the R.M. of Snipe Lake Office 962-3214.

The Penkijl Pioneer Cemetery – SE2-27-19 W3rd 10 km North of Richlea.

The Madison Cemetery – SE 16-26-22 W3rd 2.5 km West of Madison.

The Saskatchewan Genealogical Society has recorded these cemeteries.

Marked School Sites

The Gap

Located 20 km Southwest of Eston, landmark for early travelers located at the edge of the River Hills.

Lancer Ferry

Located 23 km South of Eston this ferry has operated since 1913.

Plato Post Office

Said to be the smallest free standing Post Office operating in Canada.

Urban Forestry (Urban Forestry includes the efforts of the municipality, businesses, institutions and residents with regards to written policies, by-laws, standards for tree management (selection, planting, and maintenance), long and short-term management plans, tree replacement policies, pollinator friendly tree selection, tree inventory, and Integrated Pest Management (IPM), heritage, memorial and commemorative trees.

- A local **THRIVE** committee was formed in the fall of 2018 and one of their focuses is rejuvenating the **Urban Orchard**. In conjunction with the **local 4H Group** they did a **cleanup of the orchard** in the spring of 2019.
- **CiB Members purchased and planted over 150 trees and shrubs** in the town Campground in June 2018. The Town crew dug the planting holes and installed drip lines for irrigation.

- Representatives from The Town of Eston, the Canada 150 Centennial Committee and Communities in Bloom planted a **Commemorative tree** at the Eston campground flower bed in **recognition of Canada's 150th birthday**.
- The Town **has adopted policies** for the management, selection, and replacement of trees.
- The **Town continues to regularly maintain and replace boulevard trees**, adding new trees on a regular basis to park areas, sports grounds, and other municipal land areas.
- The Town has obtained equipment, including a bucket truck, and has **trained employees for proper pruning techniques**.
- the Town investigates for **Dutch Elm Disease Inspection** now that the province is no longer supporting this service in this area.

- A **variety of trees have been planted** to increase diversity both for aesthetics and to mitigate problems in a disease or pest that affects types of trees.
- In the spring of 2012 the Eston CIB and the Town of Eston, with a \$5000 grant from Canon, drew up plans for an **Urban Orchard** (located on old school grounds) with potential for small fruits. Over 250 trees were planted the first year (September 2012) with more fruit bushes added the following spring. This was a “Community project” – residents and school students all took part in the planning. Communities in Bloom group has voluntarily done several “weeding” work bees around these newly planted trees. (See a copy of the article that appeared in the “Directions” magazine as well as the provincial Communities in Bloom magazine.) Irrigation lines were installed at the Urban Orchard in 2017
- **Memorial Trees** were purchased and planted in the Urban Orchard to honour past residents and family members. These names were recorded on the Memory Tree Board in the Urban Orchard. (This Board has been temporarily moved as part of this property is now being used for the construction of a new commercial building).
- in July of 2014 Communities in Bloom held a **Tree Pruning workshop**, sponsored by Saskatchewan Parks and Recreation. Town employees attended the workshop, as well as many community members.

Brenda Winney, Andrew Exelby (Sask Parks and Recreation), Leslie Kraft (Communities in Bloom member) and Brenda Morgan, Sask Parks and Recreation Summer student, checking out the trees in our Urban Orchard after the Pruning Workshop that was held on July 23, 2014.

ESTON COMMUNITIES IN BLOOM URBAN ORCHARD PROJECT

Eston's Urban Orchard Project, an example of community development, engagement and a dedication to quality of life.

In September 2012, phase one of a new Urban Orchard and Park took root in the community of Eston. The local *Communities in Bloom* committee were the fortunate recipients of a \$5,000 Canon Take Root grant, sponsored by Canon and Evergreen. The grant was used to begin the development of this new park, encompassing help from the Town of Eston, *Communities in Bloom*, Eston Composite School students and community volunteers. Upon completion, over 500 new fruit trees and shrubs will be planted in this new urban orchard and park.

the park and see what a difference their contributions have made in the community for generations to come." Following that, Cathy Cocks, an orchard owner from Empress Alberta, gave an instructional presentation on the importance of trees and a quick lesson on how to plant the trees. Once the brief presentations were completed, it was off to the planting site!

What a sight to behold, with over two hundred local children, youth and community volunteers working together for the benefit of the town!

To prepare for phase one, the local town crew prepared the new park grounds for planting and tree maps were laid out, trenches dug and watering plans put in place. The morning of September 27 brought bright sunshine, warm weather and lots of eager hands to help begin phase one of the planting. To kick-off the day, a brief assembly was held at the school and Eston Mayor, Al Heron, spoke about the importance of planting trees, telling students and community volunteers that in 20 years "they will be able to visit

Over 250 trees and shrubs were planted, with some earmarked as memorial trees. People dedicating memorial trees were welcome to take part and personally plant the tree that would be dedicated to their loved one, with memorial markers placed at a later date. Once all of the planting and watering was completed, the *Communities in Bloom* committee supplied a barbeque lunch for volunteers.

Future plans for the park include walking paths from all four corners of the park, intersecting in a centre site that will feature benches, flower gardens and statuary. This park is being built in the true spirit of community and will be enjoyed by many in the years to follow. ■

Valarie Mohan, School Secretary
Eston Composite School

Policy:	TOWN OF ESTON	No: T 3
	TREE PLANTING POLICY	
	Approved: March 24, 2010 Revised:	Initial:

Purpose: To provide a guideline for planned planting of trees within the Town of Eston that will be successful and add to the beauty of the community.

Policy:

1. The Town of Eston requires that planting of shade trees, ornamental trees and coniferous trees on public property, boulevards or adjacent to the street or boulevard be from Appendix A – Tree Suitability.
2. Permission must be obtained in advance for any planting on public property including the boulevard between a private property and the street.
3. The spacing between trees will be determined by the potential size of the mature tree. The following guidelines are provided.

Boulevards – Minimum of 20 feet for:

- .1 Ornamental Trees
- .2 Small shade trees

- Minimum of 30 feet for:

- .1 Large shade trees (poplar)
- .2 Adjacent private property (can be closer with written agreement between property owners)

Yard Planting - Minimum of 10 feet from:

- .1 Adjacent private property (can be closer with written agreement between property owners)
- .2 Underground services such as water, sewer, gas, electric and telephone.

- Minimum of 15 feet from:

- .1 Sidewalk, street or alley.
- .2 Traffic signs, street lights or fire hydrant.

- Minimum of 30 feet from:

- .1 Intersection

3. Trees planted closer than allowed under this policy may be removed, trimmed or moved by the municipality at any time.

Appendix #3 - Suggested List of Tree and Shrub Species

Provided by the City of Saskatoon Infrastructure Services Department, Parks Branch

Common Name	Botanical Name	Spacing	Shape, Color, Mature Height
Deciduous Trees (seasonal)			
Black Ash	Fraxinus 'Nigra'	7.0m	oval shape, light green color, 8m ht.
Mancana Ash	Fraxinus 'Mancana'	7.0m	oval shape, green color, 10m ht.
American Elm	Ulmus Americana	7.0m	high head, green color, 25m ht.
Basswood	Tilia Americana	7.0m	low head, dark green color, 15m ht.
Deciduous Shrubs (seasonal)			
Amur Maple	Acer Ginnala	4.0m	low head, good fall color, 5.0m ht.
Silver Buffalo Berry	Shepherdia Argenta	2.5m	ball shape, silver green color, 2.5m ht.
Red Osier Dogwood	Cornus Sericea	1.5m	mound like, red stems, 2.0m ht.
Siberian Coral Dogwood	Cornus Alba 'Siberica'	1.5m	upright, bright red stems, 1.5m ht.
Silver Leaf Dogwood	Cornus Alba 'Argenteo Marginata'	1.5m	upright, white-green color, 1.5m ht.
Sweetberry Honeysuckle	Lonicera Caerulea	1.5m	round, yellow-white flowers, 1.5m ht.
Golden Flowered Currant	Ribes Aureum	1.5m	dense foliage, gold color, 1.2m ht.
Adelaide Hoodless Rose	Rosa Arkansana 'Adelaide'	1.5m	sprawling, deep red flowers, 1.0m ht.
Sandcherry	Prunus Pumila	1.5m	spreading, grey-green color, 500mm ht.
Katherine Dykes Potentilla	Potentilla Fruticosa 'Katherine Dykes'	1.0m	arching growth, yellow flowers, 1.0m ht.
Three Lobed Spirea	Spiraea Trilobata	1.0m	ball shape, white flowers, 1.0m ht.
Coniferous Trees (year round)			
Black Hills Spruce	Picea Glauca Densata	4.0m	narrow pyramid, dark green color, 15m ht.
Scots Pine	Pinus Sylvestris	4.0m	5-7cm needles, blue green color, 15m ht.
Coniferous Shrubs (year round)			
Arcadia Juniper	Juniperus Arcadia	1.5m	spreading, green color, 500mm ht.
Compact Mugo Pine	Pinus Mugo 'Compacta'	1.0m	round, dark green color, 1.0m ht.

Note: There are many other appropriate plant materials available. Contact your local nursery or landscape contractor.

Table 2: Tree Species and Site Suitability

TREE TYPE		SITE SUITABILITY			
		OPEN SPACE ¹ Includes parks, schools, golf courses, cemeteries and special use areas.	STREET TREES		
			RESIDENTIAL STREETS / PUBLIC WALKWAYS	Turf Areas or Planting Beds on BOULEVARDS / MEDIANS (>10m WIDTH) & TRAFFIC ISLANDS (>75m)	TREE WELLS/HARDSCAPE (In hard surface areas such as sidewalks, plazas, etc. concrete, paving stone)
D E C I D U O U S T R E E S	SHADE TREES	Ash species [DT] Birch species [IRR] Black walnut [X] [IRR] Butternut [X] [IRR] Elm species ² Delta hackberry Horse chestnut [X] [IRR] Linden species Maple species Oak species Ohio buckeye [X] Poplar species [DT] Russian Olive [PS] Willow species Honey Locust [X]	Ash species [DT] Bur oak [DT] Elm species [DT] Delta Hackberry Linden species	Ash species [DT] Bur oak [DT] Elm species [DT] Delta Hackberry [H?] Linden species Poplar species [DT] Silver maple [H?]	Ash species [DT] Elm species [DT] Linden species
	ORNAMENTAL TREES	Mountain ash species Amur maple [DT] Cherry species [DT] Japanese tree lilac [DT] Rosebloom crabapples [DT] Russian olive [ST] [DT] Snowbird= hawthorn [DT] Ussurian pear [DT] Mountain Alder [X]	American mountain ash Amur cherry Japanese tree lilac [DT] Mayday cherry [DT] [P] Rosebloom crabapples [DT] Schubert chokecherry [DT]	American mountain ash Amur cherry [H?] Amur maple [DT] Japanese tree lilac [DT] Mayday cherry [DT] [P] Rosebloom crabapples [DT] Schubert chokecherry [DT]	Japanese tree lilac [DT] Schubert chokecherry [DT]
	CONIFEROUS TREES	Pine species [DT] Siberian larch [DT] [ST] Spruce species Sub-alpine fir Tamarack Douglas fir [X]	Scots pine [DT]	Colorado spruce [DT] Scots pine [DT] White spruce Norway Spruce	Scots pine [DT]

Table 3 provides a more detailed description of the recommended species and cultivars.

Table 3: Species and Cultivars

GENUS	RECOMMENDED SPECIES and CULTIVARS
ALDER (Alnus)	'Mountain Alder'(X)
APPLE (Malus; ROSYBLOOM CRABAPPLE) (DT)	'Almey' (rose), 'Hopa' (purplish-pink), 'Kelsey' (purplish-red), 'Makamlk', 'Pygmy' (deep purplish-red), 'Red Splendor' (light pink), 'Rudolph' (deep rose) 'Selkirk' (pink), 'Thunderchild' (pink), Radiant crab (X) 'Strathmore' (pink) (X), 'Snowdrift', (X)
ASH (Fraxinus) [DT] [ST]	Green ash [DT] [ST]+ CV=s/selections: >Patmore', >Bergeson', >Prairie Dome', >Autumn Blaze' White ash [X], Black ash+ CV=s: >Fallgold', >Mancana' Manchurian ash, 'Prairie Spire', Northern Blaze
BIRCH (Betula) [IRR]	Chinese paper birch, Paper birch +CV=s: >Chickadee=, European birch
BUCKEYE (Aesculus)	Ohio buckeye Horse Chestnut
CHERRY (Prunus) [DT]	Amur cherry, Canada plum, Mayday tree [P], Pincherry [ST], Chokecherry [ST]+ CV: >Schubert=, Jumping Pound
ELM ² (Ulmus) [DT] [ST]	American (White) elm, Siberian elm, Brandon elm.
Hackberry (Celtis)	Hackberry+ CV's: Delta
Hawthorne (Crataegus)	Hawthorne+ CV's: Snowbird, Toba.
LINDEN (Tilia)	American Linden, Little-leaf linden + CV=s: Greenspire/Norlin, Dropmore linden + CV=s: 'Wascana', Mongolian linden, Boulevard (X),
MAPLE (Acer)	Amur maple, Manitoba maple [DT]+ CV=s: >Baron', Tartarian maple, Silver maple[H?] [DT] + CV=s: 'Northline'[H?], Silver Cloud, Northwood; Norway maple [X] + CV=s: >Schwedleri'[X], >Crimson King'[X], Sugar maple [X].
OAK (Quercus)	Burr oak [DT], Northern red oak[X], Mongolian oak[H?], Scarlet oak [X], White Oak
OLEASTER (Elaeagnus)	Russian Olive
PEAR (Pyrus) [DT]	Ussurian pear + CV: >Ure= [DT]
PINE (Pinus) [DT]	Scots pine, Lodgepole pine, Swiss stone pine, Jack pine [ST], Mugho pine, Ponderosa pine[H?] White Pine?
POPLAR (Populus) [DT]	European columnar aspen, Plains cottonwood + CV=s, Tower poplar, Northwest poplar, Russian poplar cultivars, Trembling aspen, Berlin poplar, Silver poplar[H?], Balsam poplar, Assiniboine poplar, Manitou poplar
SORBUS	Mountain Ash and CV's: American fastigata P, Rossica, Showy, European
SPRUCE (Picea) [DT]	Norway spruce, White spruce, Colorado (Blue) spruce [DT], Black Hills.
SYRINGA	Japanese tree lilac+ CV's : Ivory Silk
WALNUT (Juglans)	Black walnut (X), butternut (X).
WILLOW (Salix)	Laurel-leaf willow, Peach leaf willow [DT] [ST], White willow + CV=s: 'Chermesina' (Red-barked white willow), 'Sericea' (Siberian white willow), 'Vitelina' (Golden willow) (X) 'Trills' (Prairie Cascade)

Landscape (Landscape includes planning, design, construction and maintenance of parks and green spaces suitable for the intended use and location on a year-round basis. Elements for evaluation include native and introduced materials; balance of plants, materials, and constructed elements; appropriate integration of hard surfaces and art elements, use of turf and groundcovers. Landscape design should harmonize the interests of all sectors of the community. Standards of execution and maintenance should demonstrate best practices, including quality of naturalization, use of groundcovers and wildflowers along with turf management.)

- **(2021)** CiB added some winter interest and solar fairy lights to our planters around the Main Street Gopher and Centennial Park.

- **(Fall of 2020)** – Added a new wrought iron chair to match the memorial bench in Centennial Park
- **(2020)** – **Gopher plant markers** were created and donated by a local Entrepreneur for CiB. We used many of them to mark our shrubs, trees, and perennials.
- **(2020)** CiB developed a small **Fairy Garden**, utilizing a small, neglected corner of a business lot on Main Street.

- **(2020 and 2021)** CiB decorated the Town Gopher in support of our Grade 12 Graduates (2020 – Covid19)
- The Town has **ongoing development of park spaces, also adding benches, tables, etc.** to various areas
- Eston CiB has developed **several small “pocket gardens/parks”** with permission and help from the Town. (below are photos of our Serenity Garden, Centennial Park, Andrea’s View, and the Campground Bed)

- Various “**Memorial Benches**” have been placed in Centennial Park. **Advertising benches** are also available (Plus 50 Building)
- **Perennial grasses** have been added to the landscape area around the town’s “Gopher” mascot

- **Winter Lights** – continued promotion of our **Winter Lights** program
- Eston Composite School was the **recipient of a CiB Nutrients for Life School Garden Award** in November of 2017
- The Town has **purchased mowing equipment** suitable for areas being maintained
- **Jamieson and Henry Hamilton Parks** are watered as required using sprinkler irrigation

- Two baseball diamonds have **sprinkler irrigation**
- **Weed control** is aided by selective herbicide application (with trained town employees) in the fall and spring
- **Walking path** developed by Prairie West Historical Museum **includes benches** and a **fountain** in “Hanson Lake”

-
- Eston Composite School has planted **ground cover** for their football field; **watering is done using grey water from Jamieson Park**
- **A disc golf course** has been added to the park area South of the Museum
- A **batting cage** was added to the sports grounds
- **Town managed parks** include Henry Hamilton, Jamieson Park, Peace Park
- Eston Lions Club members **repaired damage around the town’s “Gopher”** at the end of Main Street and **built the fence to back the gopher**
- **Town owned boulevards** – it is the expectation that homeowners and residents maintain their respective boulevard area
-

- **A new fence was built for the Eston Lions Swimming Pool** by the Eston Lions Club (March 2016)

- **Eston Cemetary** is maintained by the RM of Snipe Lake
- **A Planter box was built around the east entrance sign** and planted with perennials indigenous to the area
- **New lawn** at Eston Composite in 2016 – The local SCC did spring fundraising to purchase new sod for the school. The sod was laid with volunteer help. Grass area maintained by Sun West School Division.

- **Volunteers and CiB maintain the area** around the Stepping Stone Path, Shirley Sim Owens Memorial Bench, and the Meagan McNabb Memorial Flower Bed on the school grounds

- Perennial beds spruce up the **entrance to the Community Complex** (photo from summer of 2018)

Floral Displays (Floral displays evaluates efforts of the municipality, businesses, institutions and residents to design, plan, execute, and maintain floral displays of high-quality standards. Evaluation includes the design and arrangements of flowers and plants (annuals, perennials, bulbs, ornamental grasses, edible plants, water efficient and pollinator friendly plants) in the context of originality, distribution, location, diversity, and balance, colour, and harmony This pertains to flowerbeds, carpet bedding, containers, baskets, and window boxes.)

- You will note **many floral displays throughout our community**. CIB works hard to maintain several of these displays, as well as encouraging local residents and businesses to do the same
- Several **businesses display flowers** in front of their businesses
- **Town-owned Concrete Planters** are placed in front of businesses on main street are voluntarily planted and cared for by the nearby businesses and Eston CIB.

- **Communities in Bloom barrels** (desert planters – with water-based bottoms, as well as a few of our old, original whiskey barrels) are placed in various areas around town, with CIB members doing the planting and maintenance

- Communities in Bloom's **Hanging Floral Baskets** are hung on streetlights on main street, with Town Employees and CIB members sharing the watering duties

- Flower beds developed and maintained by CIB members include Andrea's View, Henry Hamilton Park (2 beds), a shrub bed at the Sportsground entrance, the Campground bed, beside the United Church Manse, and Centennial Park.
