## Usage Guidelines

- All vehicles must register before entering the landfill.
- A Bill of Lading is required for each load brought to the landfill.
- Loads will be inspected by the Landfill Attendant to verify contents.
- Contents must be sorted by type and placed in the proper area as directed by the Landfill Attendant.
- The Eston & District Landfill reserves the right to turn away contents at the discretion of the Landfill Attendant.
- Access outside of regular hours can be obtained based on staff availability and can be booked through the Town Office at a rate of \$25 per trip during business hours and \$50 per trip outside of business hours in addition to regular landfill rates. Receipts must be presented upon entering the landfill.
- \$50 per labourer per hour separation fee will be applied to all unsorted loads.
- Proof of residency or land ownership in the RM of Snipe Lake or the Town of Eston is required in order to access resident rates.
- Scavenging is prohibited.
