Family

A great place to raise a family.

With affordable housing and many amenities, Eston invites you to make yourself at home. With all levels of schooling, local health services and new seniors' residences, we have something for your family, no matter what stage you are at.

The Town of Eston

is located in the heart of West Central Saskatchewan at the junction of Highways 44 and 30, within the Rural Municipality of Snipe Lake. Here is a glimpse at what the region has to offer:

- South Saskatchewan river hills
- Health centre and medical clinic
- Several restaurants
- Senior hockey and ball teams
- Eston Riverside Regional Park
- Emergency medical services
- Accommodations
- Skating and curling rinks
- Hunting and fishing
- Long term care facilities
- RCMP detachment
- Bowling alley
- Golf courses
- Local fire department
- Airport
- Museum
- Campgrounds
- Wheatland Regional Library
- Weekly newspaper
- Moto-cross track
- Swimming pools
- Fitness centre
- Local cable network
- Various service clubs
- K-12 school and Eston College
- Four churches
- Event and meeting facilities

Career

Step into a great career.

Who knew that in this oil-rich, agricultural area, opportunity is what we're growing? Boasting some major corporate names, as well as many local entrepreneurs, the region offers a range of jobs for every career stage. Rural employers appreciate the talent that Eston has to offer, and it is common to find excellent benefits, great pay and an understanding of that important work-life balance. An involved, progressive community, with active economic development, means that those looking to start a business find local support to do so.

Community

This small town has BIG recreation.

Eston offers year-round activities for all ages and skill levels including hockey, skating, curling, baseball, soccer, golf, a 40-mile annual River Trek, dance and swimming, just to name a few.

With an award-winning senior men's hockey team, the Eston Ramblers, we have proven that not only do we grow talent, we also know how to draw a crowd.

Local pride is evident in our thriving volunteer base and annual Communities in Bloom success. It is common for events such as Ladies Night Out, hockey games, circus performances and the indoor rodeo (to name a few) to sell out.
