

Town of Eston 2023 Strategic Priorities

As of December 2022

Overarching Principles

Decisions and projects will be approached with the following themes in mind:

Continuous Improvement	Customer Service	Planning	Communication
Activities will be approached with a goal of achieving excellence and being better at what we do and how we do it every day.	We will approach changes with improvement to and enhancement of the end user experience in mind.	We will undergo sound planning processes that will assist in preparing us for the future and maintaining a sustainable community.	We will strive to enhance communication and connectedness internally, externally and with key partners and stakeholders.

Overarching Areas of Focus

Key projects and activities in 2022 will be based on the following four areas of focus or 'pillars':

Planning	Capital and Infrastructure	Serving the Community, Programming and Events	Governance and Policy
----------	----------------------------	-----------------------------------------------	-----------------------

Planning

- 1) Pool project, actively develop a long-term plan for the pool. Present options to the community.

Capital and Infrastructure

- 2) New Water Treatment Plant operational in 2023.
- 3) Completion of the water meters /endpoint project.
- 4) Continue with the sewer lining project (spin cast manholes), with an estimate of \$65,000 per year.
- 5) Continue with pavement patching throughout the Town, with an estimate of \$200,000 for the 2023 year.
- 6) Continue with sidewalk repair and/or replacement. The goal is \$15,000 per year.
- 7) Explore options for Main street water line 800 Block.
- 8) AGT Community Centre showers & partitions.
- 9) Eston & District fire truck purchase.

Serving the Community, Programming and Events

- 10) Continue to improve and update the website.
- 11) Continue to educate, promote and share information to the community.
- 12) Improvement to the fairgrounds/ball diamonds.
- 13) Improvement of the campground.
- 14) Explore grant opportunities.

Governance and Policy

- 15) Continue with the Joint Governance committee that is joint with the RM of Snipe Lake in reviewing joint bylaws.
- 16) Reviewing and updating key bylaws and policies from all departments.
- 17) Work jointly with the RM of Snipe Lake No.259 on Emergency Measures.

Note that operations for the Health Care and Cemetery departments are overseen by the RM of Snipe Lake No. 259. For information on priorities for those departments, please contact the RM directly.

In addition, all operational requirements and the ongoing clean up and maintenance
