

Fellow Citizens of Eston,

My name is John Dahl, I moved to this town 14 years ago and work for Saturn Oil as an operator in the oil and gas industry. I grew up on my family farm NW of Kindersley. I played roughly eight years as a member of the Eston Ramblers, was a member of the Eston Fire Department for almost two years and am an Eston Legion member where I volunteer my time.

I am running for counsellor in hopes of making a difference in our amazing community. One main goal is to help make important decisions on matters that will affect our town that will benefit us as a whole. Also to acquire more knowledge on how our town works from a financial standpoint as I feel it has a huge effect on how decisions get made. I'm all for new ideas that will help the town and the people of Eston along with reasonable thinking on what we are able and not able to do within a budget.

I love the town of Eston and appreciate being a part of it.

Thanks,
